When to visit the Lodge

Rainbow Trout June 8 through Oct 1
Average size is 24" - 26" fish on many rivers throughout the region

King Salmon June 20 through July 31
Excellent fishing throughout the season for 25 - 30 pound fish on the Kvichak

Sockeye Salmon June 28 through July 20
World's largest salmon run passes right in front of the lodge.

Silver Salmon July 28 through September 25
Very exciting fish to catch; excellent combo with big rainbows.

Fall Rainbow August 20 through October 5
Trophy fishing for the largest rainbows in Alaska right in front of the lodge on the Kvichak River.

Chum Salmon July 15 through August 20
Great fighting sport fish averaging 12 pounds; excellent for fly fishing.
